Sir:

This communication is responsive to the Office Action mailed September 9, 2004, in which all pending claims were allowed but the PTO required the correction of certain informalities in the disclosure. It also is responsive to the Examiner's comments and suggestions during a telephone interview held on October 1, 2004. The Applicant gratefully acknowledges the Examiner's courtesy in granting the interview.

In response, and as agreed to by the Examiner during the October 1, 2004 conversation, the Applicant respectfully requests that the following amendments to the specification be entered and the subsequent arguments be considered.
